## **FUN KIDS' NIGHT EVENTS PLANNED FOR WINTER**

*Events feature ticket specials and great pre-show activities*

CHARLOTTE, NC – The Center will host exciting Kids' Night activities for six upcoming shows and these special events are a wonderful way to introduce children to the arts. Kids' Night programs typically offer special free or reduced-priced tickets for children attending the show and/or pre-show activities where kids can enjoy a participatory experience that will enhance their understanding and enjoyment of the performance.

The free show tickets for children (with paying adult) are available so long as tickets are available for the performance. Some shows do limit the number of seats designated for the Kids' Night special.

Please be aware that the pre-show programs educational programs associated with the Kids' Night performances are limited based on the number of children who can be accommodated at the activity. Free tickets for the pre-show activity are provided first come, first serve as tickets are ordered, so adults are encouraged to purchase early.

The Kids' Night offers are valid for children 14 and younger. For complete details, call 704.372.1000 or [www.BlumenthalCenter.org/Kids](http://www.BlumenthalCenter.org/Kids). See below for upcoming Kids' Night events.
